

Baseline Report							
1 - Peace Building Needs Analysis (Please list needs identified in this project)	2 - Peace Building Relevance Assessment (List actions that will be undertaken to address need identified in column 1)	3 - Conflict Risk Assessment (List risks that could impinge on the successful implementation of the activities and list actions/contingencies to minimise and alleviate these risks)		4 - Peace & Conflict Effects Assessment (Please outline an output for each activity identified in column 2 and set out how this output will be measured.			5. The following are the six key themes that have emerged from the projects supported by Peace under Priority Measure 1.1. Please rank them in order of relevance to your project, 1 being most relevant and 6 least relevant.
		Risk	Contingencies	Output	Impact	How will this be measured?	
							Relationships <input type="checkbox"/>
							Trust & Tolerance <input type="checkbox"/>
							Cohesion & Community <input type="checkbox"/>
							Shared Space <input type="checkbox"/>
							Understanding <input type="checkbox"/>
							Prejudice <input type="checkbox"/>

Note - Following the completion of this template, each round table will be asked to report back giving 1) three points on how they found the exercise 2) advise if they require any further assistance in completing the Aid for Peace reports.
