

Social Inclusion Week 2009

Planning for Inclusion Workshop

Dear colleagues,

As part of our first Social Inclusion Awareness Week, Donegal County Council is hosting a workshop focusing on the theme '**Planning for Inclusion**'. The main objective of this workshop will be to raise awareness of social inclusion type issues and to start the debate on the challenges facing local authorities, other public bodies and communities in terms of creating safe and healthy neighbourhoods and sustainable communities and how these concepts can be embraced and shaped at the early stages of planning and design.

Who should attend?

Elected members, management and staff of Donegal County Council. The workshop is of particular relevance to Planning staff, Housing staff, Engineers, Architects, Technicians and other staff involved in Community services, members from the Donegal County Development Board and the Social Inclusion Measures group, members of the Joint Policing committees, staff from agencies such as the HSE, An Garda Síochána, VEC and community and voluntary groups involved in this area of work.

Please find below further details and a booking form..

When is it on?
